Eich Cyf:

Ein Cyf: EN010069

Dyddiad: 21 Mehefin 2018

Annwyl Ms Gardner,

Deddf Cynllunio 2008 (fel y'i diwygiwyd) – Adran 51

Cais gan Abergelli Power Limited am Orchymyn sy'n Caniatáu Datblygu ar gyfer Prosiect Pŵer Abergelli.

Cyngor yn dilyn cyhoeddi penderfyniad i dderbyn y cais i'w archwilio

Ar 21 Mehefin 2018, penderfynodd yr Ysgrifennydd Gwladol fod y cais ar gyfer Prosiect Pŵer arfaethedig Abergelli yn bodloni'r profion derbyn o dan adran 55 Deddf Cynllunio 2008. Mae Rhestr Wirio Derbyn yr Arolygiaeth Gynllunio a dogfennau cais yr Ymgeisydd wedi cael eu cyhoeddi ac maen nhw ar gael ar dudalen y prosiect ar ein gwefan. Gweler y ddolen isod:

<https://infrastructure.planninginspectorate.gov.uk/cy/projects/abergelli-power/>

Wrth wirio yn ystod y cam derbyn, gwnaeth yr Arolygiaeth rai arsylwadau ynglŷn â'r cais. Mae'r llythyr hwn yn cynnwys cyngor i'r Ymgeisydd a roddir o dan adran 51 Deddf Cynllunio 2008. Dylai'r Ymgeisydd roi sylw i'w gynnwys, ac ystyried camau priodol i'w cymryd mewn ymateb.

Unigolion a ragnodir o dan Adran 42(1)(a)

Fel yr amlinellir yn y Rhestr Wirio gyhoeddedig, mae'n ymddangos ar sail y wybodaeth a ddarparwyd gan yr Ymgeisydd nad ymgynghorwyd â'r cyrff a restrir isod, a allai fod yn berthnasol, yn ystod y cam cyn-ymgeisio:

1. Western Power Distribution Limited (South Wales) plc
2. Cadent Gas Limited
3. Energy Assets Pipelines Limited
4. Energy Assets Networks Limited
5. Energy Assets Power Networks Limited
6. Indigo Pipelines Limited (change of name from SSE)
7. Energetics Electricity Limited

<https://infrastructure.planninginspectorate.gov.uk>

8. G2 Energy IDNO Limited
9. Harlaxton Energy Networks Limited
10. Leep Electricity Networks Limited (previously Peel)
11. Murphy Power Distribution Limited
12. UK Power Distribution Limited
13. Vattenfall Networks Limited

Oni bai bod rheswm da ym mhob achos pam mae'r Ymgeisydd yn hyderus nad yw'r cyrff hyn yn berthnasol i'r datblygiad arfaethedig, cynghorir yr Ymgeisydd i gynnwys y cyrff hyn, neu eu holynwyr priodol, yn ei ymarfer hysbysu a56.

Hyderaf fod y cyngor hwn yn ddefnyddiol i chi ac y bydd yn eich cynorthwyo i baratoi ar gyfer archwilio'r cynllun.

Os bydd gennych unrhyw gwestiynau am gynnwys y llythyr hwn, cysylltwch â mi ar bob cyfrif.

Yn gywir,

Hefin Jones

Mr Hefin Jones
Rheolwr Cais

Your Ref:

Our Ref: EN010069

Date: 21 June 2018

Dear Ms Gardner,

Planning Act 2008 (as amended) – Section 51

Application by Abergelli Power Limited for an Order Granting Development Consent for the Abergelli Power Project.

Advice following issue of decision to accept the application for examination

On 21 June 2018 the Secretary of State decided that the application for the proposed Abergelli Power Project satisfied the acceptance tests under section 55 of the Planning Act 2008 (PA2008). The Planning Inspectorate's Acceptance Checklist and the Applicant's application documents have been published and made available on the project page of our website. See link below:

<https://infrastructure.planninginspectorate.gov.uk/projects/wales/abergelli-power/>

In undertaking checks at the acceptance stage, the Inspectorate did make some observations in relation to the application. This letter comprises advice to the Applicant provided under section 51 of the PA2008. The Applicant should pay attention to its content, and consider how appropriate action might be taken in response.

Section 42(1)(a) persons prescribed

As the published Checklist sets out, it appears on the basis of the information provided by the Applicant that the below listed potentially relevant bodies were not consulted at the pre-application stage:

1. Western Power Distribution Limited (South Wales) plc
2. Cadent Gas Limited
3. Energy Assets Pipelines Limited
4. Energy Assets Networks Limited
5. Energy Assets Power Networks Limited
6. Indigo Pipelines Limited (change of name from SSE)

7. Energetics Electricity Limited
8. G2 Energy IDNO Limited
9. Harlaxton Energy Networks Limited
10. Leep Electricity Networks Limited (previously Peel)
11. Murphy Power Distribution Limited
12. UK Power Distribution Limited
13. Vattenfall Networks Limited

Unless there is a good reason in each case on the basis of which the Applicant is confident that these bodies are not relevant to the proposed development, the Applicant is advised to include these bodies, or their appropriate successors, in its s56 notification exercise.

I trust that this advice is useful to you and that it will aid your preparation for the examination of the scheme.

If you have any questions about the content of this letter, please do not hesitate to contact me.

Yours sincerely

Hefin Jones
