## s42: Duty to Consult

Did the applicant consult the applicable persons set out in s42 of the PA2008 about the proposed application?

6 s42(1)(a) persons prescribed<sup>6</sup>?

**Yes.**

### **Phase 1**

The Applicant undertook a Phase 1 Statutory Consultation under s42(1)(a) of the PA2008 with prescribed consultees between 13 October and 16 November 2014. A summary of the process can be found in **paragraphs 6.4.56 to 6.4.79** of the **Consultation Report (Doc 5.1.0)**. The list of consultees is provided in **Appendix 4.I.I (Doc 5.2, Volume B, Part IV)**.

### **Phase 2**

The Applicant undertook a Phase 2 Statutory Consultation between 16 January and 19 February 2018. The process has been summarised in **paragraphs 8.4.54 and 8.4.81** of the **Consultation Report (Doc 5.1.0)**. The list of consultees is provided in **Appendix 9.G.I (Doc 5.2 - Volume D)**.

The Applicant identified two further Councils as prescribed consultees for the purposes of Phase 2 Statutory Consultation, further to CCS' response to the 2018 SoCC, (**paragraph 8.4.59**). They are:

- Llchwyr Town Council, and

The Planning Inspectorate has identified the following parties based on a precautionary interpretation of the regulations that have not been consulted by the Applicant under

		<p>s42. These are:</p> <ol style="list-style-type: none"> <li>1. Western Power Distribution Limited (South Wales) plc</li> <li>2. Cadent Gas Limited</li> <li>3. UK Power Distribution Limited</li> <li>12. Vattenfall Networks Limited</li> </ol> <p>The Applicant's <b>Consultation Report (Doc 5.1.0)</b> does not appear to give a clear explanation as to why the bodies identified above have not been consulted. Given the individual circumstances of this case, and taking a precautionary approach to ensure that all persons potentially affected by, or potentially likely to have an interest in, the application are given the opportunity to participate fully in the examination of the application, the Inspectorate suggests that the Applicant may wish to include the above bodies amongst those on whom they serve notice of the accepted application under s56(2)(a) of PA2008 unless there is a specific justification why this is not necessary.</p> <p>S51 advice has been issued regarding this matter:  <a href="http://infrastructure.planninginspectorate.gov.uk/document/EN010069-000484">http://infrastructure.planninginspectorate.gov.uk/document/EN010069-000484</a></p>
7	s42(1)(aa) the Marine Management Organisation <sup>7</sup> ?	<b>Not applicable.</b>
8	s42(1)(b) each local authority within s43 <sup>8</sup> ?	<b>Yes.</b>

<sup>7</sup> In any case where the proposed development would affect, or would be likely to affect, any of the areas specified in s42(2) of the PA2008

		<p>The Applicant carried out S42 Consultation in two phases (2014 and 2018).</p> <p><b><u>Phase 1 Statutory Consultation</u></b></p> <p>The Applicant has consulted each local authority within s43 as described in <b>Section Six</b> of the <b>Consultation Report (Doc 5.1.0)</b>.</p> <p><b>Host ('B') Authority:</b></p> <ul style="list-style-type: none"> <li>• City and County of Swansea (B)</li> </ul> <p><b>Neighbouring ('A') Authorities</b></p> <ul style="list-style-type: none"> <li>• Carmarthenshire County Council (A)</li> <li>• Neath Port Talbot County Borough Council (A).</li> </ul> <p>In <b>paragraph 6.4.65</b> the Applicant explains that due to administrative structure of local authorities in Wales, there are no Category C and D authorities for the purpose of s42 consultation.</p> <p>The consultation commenced on 8 October 2014 and ended on 16 November 2014.</p> <p><b><u>Phase 2 Statutory Consultation</u></b></p> <p>The Applicant undertook statutory s42 consultation with the same local authorities as listed for Phase 1, as per <b>paragraph 8.4.61</b> of the <b>Consultation Report (Doc 5.1.0)</b>.</p>
9	s42(1)(c) the Greater London Authority (if in Greater London area)?	<b>Not Applicable.</b>

<sup>8</sup> Definition of “local authority” in s43(3): The “B” authority where the application land is in the authority’s area; the “A” authority where any part of the boundary of A’s area is also a part of the boundary of B’s area; the “C” authority (upper tier) where the application land is in that authority’s area; the “D” authority where such an authority shares a boundary with a “C” authority

10	s42(1)(d) each person in one or more of s44 categories <sup>9</sup> ?	<p><b>Yes.</b></p> <p><b><u>Phase 1</u></b></p> <p>The Applicant has consulted each person in Categories 1, 2 and 3 under s44 as described in <b>Section Six (paragraphs 6.4.67 to 6.4.72)</b> of the <b>Consultation Report (Doc 5.1.0)</b> on 13 October 2014. The list of land interests consulted and notified under s44(1)(d) is provided in <b>Appendix 4.I.I (Doc 5.2, Volume B, Part IV)</b>.</p> <p><b><u>Phase 2</u></b></p> <p>The Applicant has consulted each person in one or more s44 categories as described in <b>Section Eight (paragraphs 8.4.62 to 8.4.64)</b> of the <b>Consultation Report (Doc 5.1.0)</b> on 16 January 2018. The list of land interests consulted and notified is provided in <b>Appendix 9.G.I (Doc 5.2 - Volume D)</b>.</p> <p>It appears that there are a number of parties who were notified during Phase 2 Statutory Consultation (list is provided in <b>Appendix 2.G.I (Doc 5.2 - Volume D)</b>) that do <b>not</b> appear to have been included in the <b>Book of Reference (Doc 4.3)</b>:</p> <p>The Applicant must ensure that all parties that need to be in the Book of Reference are listed within it and also notify all that need to be notified of the accepted application under s56 of the PA2008 and ensuring they are able to fully participate in the examination. <p>for receipt of consultation responses; and if so was the deadline notified by the applicant 28 days or more starting with the day after receipt of the consultation documents?</p>	<p><b>Phase 1</b></p> <p>The letter dated 8 October 2014, together with the consultation material, was sent to s42 consultees. It confirmed a deadline of responses being 16 November 2014, which is more than 28 days after the date of the s42 notification letter. A copy of the notification letter in English is provided in <b>Appendix 4.I.II (Doc 5.2 - Volume B, Part IV)</b>. A copy of the letter in Welsh is provided in <b>Appendix 4.I.III</b>.</p> <p>The deadline for receipt of consultation responses was also stated in the following documents:</p> <ul style="list-style-type: none"> <li>• 2014 SoCC Notice and published 2014 SoCC provided in <b>Appendices 4.A.V to 4.A.VIII (Doc 5.2 - Volume B, Part One)</b>;</li> <li>• S48 Notice provided in <b>Appendices 4.G.I to 4.G.IV (Doc 5.2 - Volume B, Part Four)</b>;</li> </ul> <p>In <b>paragraphs 6.4.74 and 6.4.75</b> of the <b>Consultation Report (Doc 5.1.0)</b> the Applicant explained that a small number of consultation letters could not be delivered by their courier; these were subsequently hand delivered on 16 October 2014. However none of those affected by the re-delivery were prejudiced as there was still the minimum period of 28 days remaining to respond, starting the day after the receipt of the consultation material.</p> <p>In <b>paragraphs 6.4.76 to 6.4.79</b> the Applicant explains that additional s(44)(1)(d) parties had been identified following on-going diligent inquiries. The additional parties were consulted on the following dates with their own consultation periods being of a minimum of 28 days:</p> <ul style="list-style-type: none"> <li>• 22 December 2014 – request for comments by 23 January 2015,</li> <li>• 14 January 2015 – request for comments by 13 February 2015,</li> <li>• 26 January 2015 – request for comments by 23 February 2015,</li> <li>• 11 February 2015 – request for comments by 10 March 2015,</li> </ul>
---	---

- 12 February 2015 – request for comments by 11 March 2015.

A copy of the template cover letter is provided in **Appendices 4.I.IV and 4.I.V (Doc 5.2 - Volume B, Part 4)**.

**Phase 2**

The letter dated 5 January 2018, together with the consultation material, was sent to 542 consultees. It confirmed a deadline of responses being 19 February 2018, which is more than 28 days after the date of the 542 notification letter. Copies of the letter sent to consultees in English and Welsh are provided in **Appendices 9.G.II to 9.G.V (Doc 5.2 - Volume D)**.

The deadline for receipt of consultation responses was also stated in the following documents:

- 2018 SoCC Notice and published 2018 SoCC, provided in **Appendices 9.B.I to 9.B. IV (Doc 5.2 - Volume D)**,
- S48 Notice, provided in **Appendices 9.F.I to 9.F.VI (Doc 5.2 - Volume D)**.

The Applicant explained in **paragraphs 8.4.72 and 8.4.73** of the **Consultation Report (Doc 5.1.0)** that there was a small number of consultation letters which required re-delivery or redirection. They were all subsequently re-issued and received by 19 January 2018, which allowed for a deadline to submit responses of 28 or more days starting the day after receipt of the consultation documents.

In **paragraph 8.4.74** the Applicant stated that following diligent enquiry, four additional landowners were identified and subsequently sent consultation material on 22 January 2018, and given until 27 February 2018 to provide response, more than the minimum 28 days. Copies of the cover letters in English and Welsh are provided in **Appendices 9.G.VI and 9.G.VII (Doc 5.2 - Volume D)**.

Following the commencement of statutory consultation, the Applicant identified an error in 2018 PEIR Figure 8.3 relating to incorrect numbering of ancient woodlands.

		<p>Therefore a replacement Figure 8.3 was issued to all prescribed consultees, together with an explanatory covering letter, on 30 January 2018. This is explained in <b>paragraphs 8.4.75 to 8.4.79</b> of the <b>Consultation Report (Doc 5.1.0)</b>, and the letter is provided in <b>Appendix 9.G.IX (Doc 5.2 - Volume D)</b>.</p> <p>Although the consultation deadline was not extended it is not considered that any party was prejudiced by this as the Applicant merely corrected a minor error.</p> <p><b>Paragraph 8.4.80</b> of the <b>Consultation Report (Doc 5.1.0)</b> explains that following the end of Phase 2 consultation, an additional party with a land interest was identified who had not been consulted (HSBC Bank Plc) during that Phase. HSBC Bank Plc was consulted during Phase 1 consultation and no response was received. In error they were then omitted from the Phase 2 consultation. However, the Applicant has since written to HSBC Bank Plc, provided a copy of the documents other parties received for Phase 2 consultation and confirmed that they will be included in any notification under s56 if the application is accepted for examination. As such, it is not considered that HSBC Bank Plc's interests have been prejudiced by their omission from Phase 2 consultation.</p>
<p><b>s46: Duty to notify Secretary of State of proposed application</b></p>		
12	<p>Did the applicant supply information to notify the Secretary of State of the proposed application; and if so was the information supplied to the Secretary of State on or before the date it was sent to the s42 consultees? Was this done on or before commencing consultation under s42?</p>	<p><b>Yes.</b></p> <p><b><u>Phase 1</u></b></p> <p>The Applicant gave notice under s46 on 8 October 2014, which was before the beginning of s42 consultation.</p> <p><b><u>Phase 2</u></b></p> <p><b>Section 1.8.1</b> of the <b>Consultation Report (Doc 5.1.10)</b> specifies:</p> <p><i>'After acquisition of APL by Drax in December 2016 the Project was publicly "re-launched" in April 2017'.</i></p> <p>The Applicant gave notice under s46 on 9 January 2018, which was before the</p>

		<p>beginning of s42 consultation. This can be found in <b>Appendix 9.I</b> of the <b>Consultation Report (Doc 5.2)</b>. The consultation period opened on 16 January 2018 and closed on 19 February 2018, a period of 32 days.</p> <p>A further notification was issued to the Inspectorate on 29 January 2018 (<b>Appendix 9.I.III</b> of the <b>Consultation Report – Doc 5.2</b>) highlighting discrepancies in a 2018 PEIR figure and providing a copy of the covering letter sent to all s42 consultees relating to the replacement figure.</p>

**s49: Duty to take account of responses to consultation and publicity**

23 Has the applicant had regard to any relevant responses to the s42, s47 and s48 consultation?

**Yes.**

**Phase 1 Statutory Consultation**

The Applicant presented the summary of consultation feedback received in response to the s42, s47 and s48 consultation in **Chapter 7** of the **Consultation Report (Doc 5.1.0)**. Consultation feedback in relation to s47 and s42 and the Applicant's responses are provided in **Appendices 6.B** and **6.D (Doc 5.2 - Volume C)**.

In **paragraph 7.4.27** the Applicant confirmed that it did not receive any consultation responses that identified themselves as responding specifically to s48 publicity. The Applicant has therefore considered that some s47 responses may also be s48 responses.

**Phase 2 Statutory Consultation**

**Chapter 9** of the **Consultation Report (Doc 5.1.0)** provides the summary of consultation feedback received in response to the s42, s47 and s48 consultation. Responses received and the Applicant's comments are provided in **Appendices 11.A** and **11.C (Doc 5.2 - Volume E)**.

**Chapter 10** of the **Consultation Report (Doc 5.1.0)** explains how the consultation responses helped evolve the Project. **Paragraph 10.1.13** explains:

*In summary, feedback received during the Phase 1 and Phase 2 consultation informed the development of the Project in the following ways:*

- *Locations for display of consultation materials amended;*
- *Selection of a Gas Connection route corridor, approximately 1.4 km in length, running in a southerly direction to the Generating Equipment Site;*
- *Selection of an underground cable option as opposed to overhead line option to export power from the Generating Equipment to the NETS (Swansea North Substation);*

		<ul style="list-style-type: none"> <li>• Selection of an <i>Electrical Connection</i> route corridor, approximately 900m in length, to the southwest of the <i>Generating Equipment Site</i>;</li> <li>• Selection of the <i>Access Route</i> to the <i>Project Site</i> from the <i>B4489</i> to the west of the <i>Generating Equipment Site</i>, including an upgraded access road from the <i>B4489</i> as well as a new section of access road from the <i>Swansea North Substation</i> to the <i>Generating Equipment Site</i>; and</li> <li>• The <i>Power Generation Plant</i> is made up of only one <i>Gas Turbine Generator</i> with one exhaust gas flue stack, rather than up to five;</li> <li>• Reduction of stack height from a maximum of 60 m to a maximum of 45 m;</li> <li>• <i>Generating Equipment Site</i> moved north of the <i>Welsh Water Water Main</i>;</li> <li>• Selection of an <i>Access Road</i> from the <i>Substation</i> to the <i>Generating Equipment Site</i>, beginning before the original spur at the car park adjacent to the <i>Felindre Gas Compressor Station</i> and extending southwards towards open fields; and</li> <li>• <i>Realignment</i> of <i>Access Road</i> from the <i>Substation</i> to the <i>Generating Equipment Site</i> to curve further south and avoid ancient woodland.</li> </ul> <p>The actions appear to be reflected in the final form of the application submitted, and where a response has not led to a change in the application, it is sufficiently clear that regard was had to it.</p>
<b>Guidance about pre-application procedure</b>
