Dear [REDACTED],

I write further to the letter dated 14th November 2018 from the Examiner by email in relation to the above matter which confirms the timetable for the hearings.

I note that the Examiner has requested confirmation from Interested Parties as to whether they wish to speak at the hearings. As we attended and spoke at the Preliminary Hearing and the first Issue Specific Hearing, I had assumed that our attendance at the subsequent hearings and the opportunity to speak would be taken as read, however this may not be the case and I therefore apologise for the oversight in this regard.

As set out in my clients' written representations, they have specific concerns in relation to the Compulsory Acquisition and the Development Consent Order and would wish to be represented at both hearings and to address the Examination.

I would be grateful therefore if we are permitted to speak at the following:

1. Compulsory Acquisition Hearing on Wednesday 12th December; and
2. Issue Specific Hearing 3 on the draft DCO on Thursday 13th December.

In addition, our clients have confirmed that they wish to attend the ASI on 14th December.

I would be grateful if you would confirm whether the Examiner will agree to the above and I look forward to hearing from you.

Best regards,

Richard
