In accordance with the programme set by the Examining Authority (ExA) in the Rule 8 letter published on 17 October 2018, Abergelli Power Limited encloses the following documents for Deadline 2:

1. The Applicant's comments on Written Representations;
2. The Applicant's comments on the City and County of Swansea Council (CCS) Local Impact Report;
3. The Applicant's comments on responses to the ExA's First Written Questions;
4. Updated Draft Development Consent Order; and
5. Schedule of Changes to the Draft Development Consent Order.

In addition to the above, Abergelli Power Limited also encloses:

6. Updated Statement of Reasons Table 2 (Annex 2 of this cover letter);
7. Progress of Negotiations with Statutory Undertakers (Annex 3 of this cover letter);
8. Updated Schedule of Objections (Annex 4 of this cover letter);
9. Updated Outline Landscape and Ecology Mitigation Strategy (Revision 2) to include updates in response to the CCS Local Impact Report and CCS responses to First Written Questions as follows:
 - a. Commitment to provide information within the finalised Landscape and Ecology Mitigation Strategy (LEMS), including detail on the management and monitoring of the Ecological Mitigation Area;
 - b. Commitment to provide in the finalised LEMS a feedback mechanism should landscaping or ecological mitigation measures fail during establishment;
 - c. Commitment to providing management measures for the infilling and creation of ponds within the finalised LEMS; and
 - d. Specific reference to marsh fritillary within habitat enhancement and creation.
10. Updated Statement of Common Ground (SoCG) with Natural Resources Wales (NRW);
11. Updated SoCG with Dwr Cymru Cyfyngedig/Welsh Water. This is a draft SoCG which has been agreed between the parties. The parties continue to discuss matters listed in Section 4 of the SoCG;
12. Updated Guide to the DCO Application Documents (Annex 1 of this cover letter) which was submitted as part of the DCO Application.

Abergelli Power 49 York Place Edinburgh EH1 3JD Tel: 0131 550 3380

The Applicant intends to submit an updated SoCG between APL and CCS ahead of the Issue Specific Hearings (ISH) in December, following review of the documentation submitted for Deadline 2. This has been agreed with CCS.

In addition, the Applicant is continuing discussions with National Grid Gas plc (NGG), National Grid Electricity Transmission plc (NGET), Wynne Watkins, Redisplay Limited and Michael Edwards and updated SoCGs between APL and these parties will be submitted either on or before Deadline 4, at which date the Examination Timetable invites updated SoCG.

We look forward to hearing further from you in due course and please do not hesitate to get in touch with any queries.

Yours sincerely,

Kirstin Gardner
Abergelli Power, Project Manager

Progress of Negotiations with Statutory Undertakers

Deadline 2

Progress of Negotiations with Statutory Undertakers

	Statutory Undertaker	Relevant Representation	Details of apparatus requiring protection/works required and land impacts	Status of negotiations
1	National Grid (National Grid Electricity Transmission Limited and National Grid Gas Limited)	RR-024	Underground gas transmission pipeline (Feeder 32), and associated rights. Overhead electricity transmission lines and pylon.	The first draft protective provisions and side agreements were issued to National Grid on 23 May 2018. A conference call was held with National Grid on Thursday 16 August 2018 to discuss the interactions between the Project and National Grid's apparatus. Statements of Common Ground (one for each statutory undertaker) were sent to National Grid on 12 September 2018 and were updated and submitted at Deadline 1. Discussions on the Statement of Common Ground, protective provisions and side agreements are currently being progressed.
2	Western Power Distribution Limited	RR-006	An overhead line which crosses above the temporary construction laydown area, new means of access and landscaping and ecological area. An overhead line which crosses the identified route for the new underground gas connection pipeline for the Project. Underground cables which run along and across the access road which is to be used for the Project (which is already in existence as it is an existing access road to National Grid's substation).	The first draft protective provisions and side agreements were issued to Western Power Distribution Limited on 21 May 2018. These are currently in the process of being negotiated and are considered by APL to be close to agreement.
3	DWR Cymru Cyfyngedig (Welsh Water)	RR-023	High pressure water main serving Swansea - there will be a 400kV cable which crosses the water main. Crossings required for permanent site access and temporary crossings for temporary laydown area. Protections required in relation to the exercise of streetworks powers. Protections required in relation to the exercise of powers of compulsory acquisition/extinguishment of rights.	The first draft protective provisions and side agreements were issued to Welsh Water on 22 May 2018. The draft Statement of Common Ground was sent on 25 September 2018. A meeting was held on 3 October 2018 to discuss the design of the access road and the design of a solution for crossing the water main. Discussions on the Statement of Common Ground, protective provisions and side agreements are currently being progressed.
4	Abergelli Solar Farm Limited	RR-018	Underground cables connecting the eastern solar field to the DNO station and the private road which provides access to the solar farm. If NG switches off to connect to APL, that may not be compensated by APL.	The first draft protective provisions and side agreements were issued to Abergelli Solar Farm Limited on 22 May 2018. These are currently in the process of being negotiated.
5	Wales and West Utilities Limited	RR-013	High-pressure underground gas main which runs between the existing Swansea North Substation and the adjacent National Grid Gas Compressor Station. A 400kV cable crossing and the new section of Access Road which will cross the Wales and West pipeline.	The first draft protective provisions and side agreements were issued to Wales and West Utilities Limited on 21 May 2018. These are currently in the process of being negotiated and are considered by APL to be close to agreement.
