Dear Sir or Madam

EN010071: Application by North London Waste Authority for an Order Granting Development Consent for the North London Heat and Power Project

Further to the Rule 8 letter published by the Planning Inspectorate on 2 March 2016, we write to inform the Planning Inspectorate that we wish to make an oral representation at the Issue Specific Hearing on the draft Development Consent Order (DCO) due to be held on 18 March 2016, on behalf of Transport for London (TfL), interested party reference 10031939.

We intend to raise issues in relation to the need to ensure adequate protection of TfL's assets and their function as Transport Authority, through the provisions of the DCO.

Yours faithfully

Bircham Dyson Bell LLP
