Dear Sir/Madam

**Planning Act 2008 (as amended) and The Infrastructure Planning  
(Examination Procedure) Rules 2010 (as amended) – Rule 16**

**Application by North London Waste Authority for an Order Granting  
Development Consent for the North London Heat and Power Project**

**Notification of site inspection in the company of interested parties**

I write to advise you that a site inspection in the company of interested parties will be held on **Wednesday 17 August 2016** at **10.00am**, beginning at:

The Car Park  
EcoPark,  
Advent Way,  
Edmonton,  
London, N18 3AF

The purpose of the site inspection is to enable me to visit particular locations which will help inform me about particular aspects of the examination. It is not an opportunity for discussion or representations to me by interested parties. An itinerary of locations that will be visited during the inspection is annexed to this letter (**Annex A**).

As confirmed at the Preliminary Meeting on 24 February 2016, interested parties who wish to attend the site visit must notify the North London Heat and Power Project case team at the postal or email address above by **9 August 2016**. Public access to the EcoPark is restricted and prior registration is therefore essential to ensure entry to the site. If you are planning on arriving at the EcoPark by car, please also provide the North London Heat and Power Project case team with your vehicle registration number.

Please note that the site visit will take place on foot and is likely to involve walking on

uneven terrain and safety shoes or stout enclosed shoes are required. Waste management activities can be dusty, therefore it is suggested that you wear appropriate clothing.

It would also assist us if you could notify us of any special needs you may have (eg disabled access, hearing loop etc). Please ensure that you include your interested party reference number in your correspondence.

For further information regarding visiting the EcoPark please see the attached guidance document from London Waste Limited (**Annex B**).

If you have any further queries, please do not hesitate to contact us.

Yours faithfully

*Paul Hudson*

**Paul Hudson**  
**Examining Authority**

Advice may be given about applying for an order granting development consent or making representations about an application (or a proposed application). This communication does not however constitute legal advice upon which you can rely and you should obtain your own legal advice and professional advice as required.

A record of the advice which is provided will be recorded on the National Infrastructure Planning website together with the name of the person or organisation who asked for the advice. The privacy of any other personal information will be protected in accordance with our Information Charter which you should view before sending information to the Planning Inspectorate.
