Dear Sirs

**Planning Act 2008 (as amended) – Section 89 and the Infrastructure  
Planning (Examination Procedure) Rules 2010 – Rule 17 (as amended)**

**Application by North London Waste Authority for an Order Granting  
Development Consent for the North London Heat and Power Project**

**Request for Further Information**

Your written representation of 6 April 2016 raised a concern on behalf of Zayo Group Limited about the compulsory acquisition provisions of the draft DCO as they relate to your client's land interests at Ardra Road. I have taken this representation to constitute an objection by Zayo Group Limited to the temporary suspension of rights in relation to plot 8.

I appreciate from your letter dated 15 July 2016 that discussions have been taking place with the applicant. I would be grateful therefore for a statement of the final position of Zayo Group Limited by deadline 8 of the examination timetable, 22 August 2016, confirming whether the outstanding objection to compulsory temporary suspension of rights in relation to plot 8 is maintained or withdrawn.

Yours faithfully

*Paul Hudson*
