Dear Mr Bosworth

**Planning Act 2008 (as amended) – Section 89 and the Infrastructure
Planning (Examination Procedure) Rules 2010 – Rule 17 (as amended)**

**Application by North London Waste Authority for an Order Granting
Development Consent for the North London Heat and Power Project**

Request for Further Information

The relevant representation dated 22 December 2015 you submitted on behalf of Kennet Properties Limited raised an objection to the compulsory acquisition of freehold interests and new rights in relation to plots 6 and 34. This was restated in the written representation submitted on 24 March 2016. I assume therefore that Kennet Properties Limited has no objection to the compulsory acquisition of its freehold interests in plots 9 and 10, nor to the temporary suspension, extinguishment and acquisition of new rights concerning variously plots 1, 7, 8, 16, 30, and 31.

I appreciate from your recent email dated 6 July 2016 that discussions have been taking place with the applicant. I would be grateful therefore for a statement of the final position of Kennet Properties Limited by deadline 8 of the examination timetable, 22 August 2016, confirming whether the outstanding objection to compulsory acquisition is maintained or withdrawn.

Yours sincerely

Paul Hudson
