Dear Sirs

We are currently in discussions with NWLA regarding this scheme and how it may impact our client Royal Mail Group (RMG). The discussions with NWLA are centred around the potential traffic impact and how this may affect RMG's operations in the locality and are ongoing however will not be concluded before the deadline for close of examination which we understand is today.

We will therefore notify you in writing once the outcome of the discussions is known but wanted to draw to your attention that discussions are in hand .

Yours faithfully
