Dear Sir,

I will be away at the time of the next scheduled meetings regarding the examination of this Scheme and would have liked to speak again about several of the items listed. So I apologise for not being able to attend this very important session.

My neighbour, Mrs Cherry Bartlett has contacted you and is totally up to date with our group concerns and facts and will hopefully be able to speak and confirm the unsuitability of the proposed access for construction traffic to Q 1. We appreciate the opportunity to present the facts as we know them and really hope that the fact that our Community Council, now knowing the true scale of the proposal, is also strongly objecting to our village and residents being literally driven over in the pursuit of profit, will help us ensure an alternative route is found yours sincerely Chris Jordan Sent from my iPad
