Rob / Steffan

Further to the Examining Authority's Rule 6 letter, dated 9th February 2016, and in advance of the issue specific hearing in respect of the draft Development Consent Order (DCO) on 9th March 2016, please find attached the following:

- Doc Ref: 3.01 Rev.1 – Draft Development Consent Order (Revision 1) (Word document)
- Doc Ref: 3.01 Rev.1 – Draft Development Consent Order (Revision 1) (PDF document)
- DCO Comparison Document of v0 and v1 (Word document)
- DCO Validation Report 030316
- Doc Ref: SPH_GREX_DCO_01 – Table of DCO Amendments (030316)
- Doc Ref: SPH_GREX_DCO_02 – SPH Responses to ExA DCO Drafting Queries (030316)

Please note that whilst the attached submission is not a formal iteration of the DCO, it is intended to assist the discussion on the detailed questions of the Examining Authority. We have prepared answers and a tentative revised DCO expressly for the issue specific hearing in respect of the draft DCO. The Applicant will issue a new draft DCO at Deadline II in light of the discussion at the issue specific hearing.

In addition, the validation report attached is submitted only as regards the response to the query on formatting. The validation report on the DCO has been requested but not yet received by the Applicant's legal advisors. We will provide the up-to-date validation report as soon as it becomes available.

I trust the attached will be helpful to the ExA in advance of the DCO Hearing and I would be grateful if you could confirm that these have been received by your office. Please could you advise if you require hard copies to be issued to you.

Kind regards

Ben
