Dear Sirs / Madams

from Jeff Taylor Reference number: 10031989

re the latest round of documentation for this scheme I note that on this document provided by the Applicant

<https://infrastructure.planninginspectorate.gov.uk/wp-content/ipc/uploads/projects/EN010072/EN010072-001414-Snowdonia%20Pumped%20Hydro%20Limited%204>

it says on page 40

"Stefan see note overleaf"

Is it possible for us to see the note overleaf? Was it provided to you?

And on the next page of the same document another handwritten note says

"additional records confirm they contained Pyrotechnic/incendiary material only"

since this contradicts the information provided by the MoD to Dr DavePreskett on page 4 of this document

[https://infrastructure.planninginspectorate.gov.uk/wp-content/ipc/uploads/projects/EN010072/EN010072-001407-Dave%20Preskett%20on%20behalf%20of%20Jeff%20Talyor\\_Redacted.pdf](https://infrastructure.planninginspectorate.gov.uk/wp-content/ipc/uploads/projects/EN010072/EN010072-001407-Dave%20Preskett%20on%20behalf%20of%20Jeff%20Talyor_Redacted.pdf)

is it possible to see these additional records?

Perhaps these are questions for ourselves or perhaps the Inspector to be asking of the Applicant?

thanks and regards

Jeff Taylor
