1 INTRODUCTION & SUMMARY

1.1 Introduction

- 1.1.1 This document is intended to provide an update to the Examiner on the status of each of the other consents and licences required for the Development. This document has been prepared for Deadline 9 (5th September 2016), however further updates to this document will be provided as the examination progresses, as required.

Table 1 Summary of Consents & Licenses				
Consent / Licence / Permit		Regulatory Regime	Consenting Authority	Status / Comment
1	Electricity Generation Licence	Electricity Act 1989	Office of Gas and Electricity Markets (OFGEM)	An exemption, as specified in the Electricity Act, has been submitted (19 th March 2016). Awaiting a response from DECC/BEIS
2	Building Regulation approval	Building Regulations 2010	Gwynedd Council	Application to be made following grant of the DCO for the design of the power house.
3	European Protected Species Licences	Conservation of Habitats and Species Regulations 2010	NRW	<p>A European Protected Species Licence will be required due to the presence of Lesser Horseshoe Bat in the tunnels. This has been approved (ref 61619). A variation to this licence was issued on 27th July 2016 (Ref 61619c).</p> <p>A European Protected Species Licence will also be required for the translocation of floating water plantain prior to construction if found within the working width for the spillway, this will be identified during pre-construction site investigation and a Licence sought if required.</p>
4	Badger Settle Closure Licence	Protection of Badgers Act 1992	NRW	The Phase 1 Habitat survey identified a badger sett within the Order Limits. Subsequent surveys have found no use during the preliminary GI

Consent / Licence / Permit	Regulatory Regime	Consenting Authority	Status / Comment	
			works. A pre-construction survey will be undertaken and the appropriate license will be obtained prior to construction.	
5	Health and Safety related consents	Health & Safety at Work Act 1974 All other relevant legislation Applicant specific requirements for onsite Contractors	Health & Safety Executive (HSE) The Applicant	Applications to be made by the Principal Contractor (PC) before construction commences, will be defined within construction contracts
6	Abnormal Loads For delivery of abnormal loads via the agreed delivery route	Road Vehicles (Authorisation of Special Types) (General) Order 2003	Department for Transport, Highways Agency, Gwynedd Council Highway Authority or police / bridge owners (if any and as appropriate)	This has not been sought within the DCO as this will be undertaken through the Construction Traffic Management Plan (Requirement 6) In addition, the appropriate applications will be made by the Principal Contractor prior to construction commencing, will be a condition of contract.
7	Section 61 consent	Control of Pollution Act 1974	Gwynedd Council	Agreement on operational hours and working methods will be sought from Gwynedd Council, through the Operational Noise Management Plan

Table 1 Summary of Consents & Licenses				
Consent / Licence / Permit		Regulatory Regime	Consenting Authority	Status / Comment
	Control of noise on construction site			(Requirement 7) and pollution consent will be required for work outside normal hours outlined within the DCO Requirements
8	Abstraction Licence	Water Resources Act 1991	NRW	An abstraction licence for the initial filling of the reservoir from Llyn Padarn has been approved by NRW on the 20 th July 2015 ref WA/065/0016/007 for up to 2000m ³ a day, a variation to this licence was granted on 3 rd June 2016 ref WA/065/0016/007/V001, to abstract up to 3300m ³ per day.
9	Consent must be obtained for electro-fishing and removal of caught fish.	Section 5(2) or, from January 2011, 27A of the Salmon and Freshwater Fisheries Act 1975	NRW	Consent required from Environment Agency prior to the commencement of electro-fishing if required. Preconstruction surveys will determine if fish are present and electro fishing is required.
10	Approval for translocation of species	Wildlife & Countryside Act 1981	Gwynedd Council	Method statement to be agreed with NRW for the translocation of slowworms from the Works Areas 1,3 and 4 inclusive

Table 1 Summary of Consents & Licenses				
Consent / Licence / Permit		Regulatory Regime	Consenting Authority	Status / Comment
11	Storage of materials within the floodplain	Land Drainage Act	NRW	Storage of materials should be outside of the floodplain as far as reasonable practicable but any requirement to store materials within the floodplain must be agreed with NRW.
12	Diversion of Public Rights of Way (PRoWs)	Section 257 of the Town and Country Planning Act 1990.	Gwynedd Council	Temporary closure and diversion of PRoWs during construction, and permanent diversion for Q1 in operation. To be secured through the DCO. (Schedules 2-5)
13	Flood Defence Consent	Section 109 Water Resources Act 1991 Section 28E Wildlife and Countryside Act 1981	NRW	For the installation of the pumping station and discharge / abstraction outlet. This has been submitted and approved by NRW ref NE2014LD130.
14	Common Land Applications	Commons Act 2006	Welsh Government	Consent from the Welsh Ministers will be required to de-register part of the common (supplying replacement land in return), and for temporary works on the common land at the Development. Applications have to be made in both cases.
