Consultation & Publicity Statement

SECTION 153 OF THE PLANNING ACT 2008

CONSULTATION AND PUBLICITY STATEMENT UNDER REGULATION 7A OF THE INFRASTRUCTURE PLANNING (CHANGES TO, AND REVOCATION OF, DEVELOPMENT CONSENT ORDERS) REGULATIONS 2011 (“THE 2011 REGULATIONS”)

THE GLYN RHONWY PUMPED STORAGE GENERATING STATION ORDER 2017 (STATUTORY INSTRUMENT 2017 NO. 330) (THE “ORDER”)

1. Snowdonia Pumped Hydro Limited (SPH) of registered office 35 Ballards Lane, London, United Kingdom, N3 1XW applied to the Welsh Ministers for consent to make a non-material change to the Order under Section 153 of the Planning Act 2008, on the 27th September 2023.
2. This document constitutes SPH's consultation and publicity statement pursuant to Regulation 7A of the 2011 Regulations.
3. A copy of the notice published under Regulation 6 of the 2011 Regulations (the “Notice”) is shown in Appendix A of this statement.
4. SPH confirms that:
 - 4.1. As required under Regulation 6(1) of the 2011 Regulations, the Notice has been publicised in the Caernarfon & Denbigh Herald (a local newspaper circulating in the vicinity of the project land). The Notice was published on the following dates:
 - 4th October 2023; and
 - 11th October 2023.
 - 4.2. Copies of extracts from the Caernarfon and Denbigh Herald are included in Appendices B & C.
5. As per Regulation 7 of the 2011 Regulations, SPH consulted the following by means of being sent a notice in hard copy:
 - those consulted about the original application;
 - those who benefit from the original development consent order; and
 - those who may be directly affected by the proposed changes.
6. SPH utilised the consultee list from the original DCO consultation that was updated for the 2021 non material change application; these included the Local Planning Authorities, other Prescribed Consultees and People with Interest in the Land (including landowners and those with rights on the various project land packages). Consultee details and addresses were updated where necessary. New consultees were added where previously existing consultees either no longer exist or have come under the control of another office / body. Details of the consultees are provided in Appendix D. The notice was sent to each of the consultees on the 4th October 2023.
7. SPH also sought to email the consultees where possible. The consultees emailed are noted in Appendix D. A copy of the covering email is provided in Appendix E. Emails were sent to recipients on the 4th October 2023.

The deadline specified in the Notice for representations to be submitted to the Planning Inspectorate was 10th November 2023. All consultees had a period for response to 10 November 2023, being not less than 28 days from the date of last newspaper publication as required by Regulation 6(2) of the 2011 Regulations.

8. The NMC application documents have been made available to view on the Glyn Rhonwy website at:

<https://www.snowdoniapumpedhydro.com/planning>

And also on the Planning Inspectorate's website at:

<https://infrastructure.planninginspectorate.gov.uk/projects/wales/glyn-rhonwy-pumped-storage/>

The notice also invited recipients who were unable to access either website to request hard copies of the documents free of charge.

9. SPH also undertook non-statutory consultation with the local planning authority prior to submitting this request.

SPH also undertook some informal consultation with landowners.

27/09/2023

SECTION 153 OF THE PLANNING ACT 2008 AND REGULATION 6 OF THE INFRASTRUCTURE PLANNING (CHANGES TO, AND REVOCATION OF, DEVELOPMENT CONSENT ORDERS) REGULATIONS 2011

NOTICE OF APPLICATION TO MAKE A NON-MATERIAL CHANGE TO THE FOLLOWING DEVELOPMENT CONSENT ORDER:

THE GLYN RHONWY PUMPED STORAGE GENERATING STATION ORDER 2017 (SI 2017/330) AS CORRECTED BY THE GLYN RHONWY PUMPED STORAGE GENERATING STATION (CORRECTION) ORDER 2017 (SI 2017/969) AND AMENDED BY THE GLYN RHONWY PUMPED STORAGE GENERATING STATION (AMENDMENT) (WALES) ORDER 2021

Notice is hereby given that an application has been made by Snowdonia Pumped Hydro Limited ("SPH") of 35 Ballards Lane, London, N3 1XW, to the Welsh Ministers to make a non-material change to the Glyn Rhonwy Pumped Storage Generating Station Order 2017 (as corrected by the Glyn Rhonwy Pumped Storage Generating Station (Correction) Order 2017) and amended by the Glyn Rhonwy Pumped Storage Generating Station (Amendment) (Wales) Order 2021 ("the Order") under the Planning Act 2008 ("the Application").

The Order grants development consent for the construction and operation of a pumped storage facility consisting of upper and lower reservoirs, pipe, a power house, pumping station, spillways and ancillary development with an output of 99.9 megawatts at Glyn Rhonwy and Chwarel Fawr quarries, near Llanberis, Gwynedd, Wales.

The Application seeks to make a non-material change to the time limit for commencing construction by amending Requirement 2 of Part 2 of Schedule 1 to the Order due to unprecedented increases in construction costs associated with post Covid inflationary factors, and ongoing work on energy policy for support of Large-scale Long-duration Energy Storage. The time limit for commencing construction stated in Requirement 2 of the Order is 29 March 2024. The proposed non-material change is to extend this time limit by 2 years so that the deadline for commencing construction will be 29 March 2026.

A copy of the Application and its accompanying documents, plans and maps showing the nature and location of the land concerned are available for inspection, free of charge, via the Planning Inspectorate's website and via the Glyn Rhonwy project website until 10/11/2023 at the following addresses:

SECTION 153 OF THE PLANNING ACT 2008 AND REGULATION
6 OF THE INFRASTRUCTURE PLANNING
(CHANGES TO, AND REVOCATION OF, DEVELOPMENT
CONSENT ORDERS) REGULATIONS 2011
NOTICE OF APPLICATION TO MAKE A NON-MATERIAL CHANGE TO
THE FOLLOWING DEVELOPMENT CONSENT ORDER:
THE GLYN RHONWY PUMPED STORAGE GENERATING STATION
ORDER 2017 (SI 2017/330) AS CORRECTED BY
THE GLYN RHONWY PUMPED STORAGE GENERATING STATION
(CORRECTION) ORDER 2017 (SI 2017/969) AND AMENDED BY
THE GLYN RHONWY PUMPED STORAGE GENERATING STATION
(AMENDMENT) (WALES) ORDER 2021

Notice is hereby given that an application has been made by
Snowdonia Pumped Hydro Limited ("SPH") of 35 Ballards Lane,
London, N3 1XW, to the Welsh Ministers to make a non-material
change to the Glyn Rhonwy Pumped Storage Generating Station Order
2017 (as corrected by the Glyn Rhonwy Pumped Storage Generating
Station (Correction) Order 2017) and amended by the Glyn Rhonwy
Pumped Storage Generating Station (Amendment) (Wales) Order
2021 ("the Order") under the Planning Act 2008 ("the Application").

The Order grants development consent for the construction and
operation of a pumped storage facility consisting of upper and
lower reservoirs, pipe, a power house, pumping station, spillways
and ancillary development with an output of 99.9 megawatts at
Glyn Rhonwy and Chwarel Fawr quarries, near Llanberis, Gwynedd, Wales.
The Application seeks to make a non-material change to the time
limit for commencing construction by amending Requirement 2 of
Part 2 of Schedule 1 to the Order due to unprecedented increases
in construction costs associated with post Covid inflationary factors,
and ongoing work on energy policy for support of Large-scale
Long-duration Energy Storage. The time limit for commencing
construction stated in Requirement 2 of the Order is 29 March 2024.
The proposed non-material change is to extend this time limit by 2 years
so that the deadline for commencing construction will be 29 March 2026.
A copy of the Application and its accompanying documents, plans
and maps showing the nature and location of the land concerned are

to bcc:

Dear Sir / Madam,

We are contacting you by email as either you, your predecessor, or company have been identified as stakeholders for the Glyn Rhonwy Pumped Storage Development Consent Order (DCO) Application.

As background, the proposed Glyn Rhonwy Pumped Storage project is a 99.9 MW, 700 MWh Pumped Hydroelectric energy storage project in Llanberis, North Wales. The project was awarded a DCO in 2017 and was amended in 2021. Since that time we have been working to finalise development of the project prior to construction. However, due to unprecedented increases in construction costs associated with post Covid inflationary factors, and ongoing work on energy policy for support of Large-scale Long-duration Energy Storage, the development programme of the project has been impacted.

Consequently, we are applying to the Welsh Ministers for a Non-Material Amendment to the DCO to extend the commencement deadline by 24 months. This would allow us sufficient time to complete the various pre-commencement requirements specified by the DCO. This application seeks to change no aspect of the DCO other than the commencement date.

Full details of the application & consultation can be found on the attached Regulation 6 Notice. A hard copy of this notice has also been sent to your address. Where possible we have also sent this via email to the relevant stakeholders.

Kind Regards,

The Snowdonia Pumped Hydro Team

Snowdonia Pumped Hydro Limited, a limited liability company registered in England and Wales with number 08644844 Registered office: 35 Ballards Lane, London, United Kingdom, N3 1XW
