Subject: RE: [EXTERNAL] Glyn Rhonwy DCO Non Material Change 2 - EN010072
Date: 05 October 2023 10:44:20

Good morning,

Thank you for your email.

Regrading Glyn Rhonwy Pumped Storage, there are no National Gas Transmission assets affected in this area.

If you would like to view if there are any other affected assets in this area, please raise an enquiry with www.lsbud.co.uk. Additionally, if the location or works type changes, please raise an enquiry.

Kind regards

Asset Protection Team

Subject: [EXTERNAL] Glyn Rhonwy DCO Non Material Change 2 - EN010072

CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe. If you suspect this email is malicious, please use the 'Report Phish' button.

Dear Sir / Madam,

We are contacting you by email as either you, your predecessor, or company have been identified as stakeholders for the Glyn Rhonwy Pumped Storage Development Consent Order (DCO) Application.

As background, the proposed Glyn Rhonwy Pumped Storage project is a 99.9 MW, 700 MWh Pumped Hydroelectric energy storage project in Llanberis, North Wales. The project was awarded a DCO in 2017 and was amended in 2021. Since that time we have been working to finalise development of the project prior to construction. However, due to unprecedented increases in construction costs associated with post Covid inflationary factors, and ongoing work on energy policy for support of Large-scale Long-duration Energy Storage, the development programme of the project has been impacted.

Consequently, we are applying to the Welsh Ministers for a Non-Material Amendment to the DCO to extend the commencement deadline by 24 months. This would allow us sufficient time to complete the various pre-commencement requirements specified by the DCO. This application seeks to change no aspect of the DCO other than the commencement date.

Full details of the application & consultation can be found on the attached Regulation 6 Notice. A hard copy of this notice has also been sent to your address. Where possible we have also sent

this via email to the relevant stakeholders.

Kind Regards,

The Snowdonia Pumped Hydro Team
