I would like to speak at this meeting.

I confirm I am an Interested Party in respect of the East Anglia TWO Examination also, and would like the opportunity to speak at that Preliminary Meeting also.

As East Suffolk District Council Ward Member representing the views of the Parishes and Towns in the Ward.

My concerns include:

Insufficient information available on which to base a sound decision.

Damage to ancient environment, settlement and in particular Listed church.

Damage to local businesses and reputational damage to the area, particularly affecting tourism on which much of this area depends.

Figures relating to employment uplift as given by SPR.

Inward investment damage.

Poorly designed appearance.

Traffic issues – unsuitability of the road infrastructure to the site.

Impact upon residents, lack of mental wellbeing provision.

Exacerbation of flooding issues already present in the village.

Reduction of amenity value including removal of footpaths and ancient by-ways.

Light and particularly noise impact and pollution.

Damage to the AONB, SSSI sites and ancient protected woodland.

In combination effect on the region when considered with the additional energy projects planned for the area.

Cllr Jocelyn Bond | Aldeburgh and Leiston
