Dear Sir or Madam,

Planning Act 2008, Scottish Power Renewables Limited, Proposed East Anglia One North Offshore Wind Farm

Response to Examining Authority's Rule 6 Letter

On 16 December 2019, the Marine Management Organisation (the "MMO") received notice under section 55 of the Planning Act 2008 (the "PA 2008") that the Planning Inspectorate ("PINS") had accepted an application made by Scottish Power Renewables Limited (the "Applicant") for determination of a development consent order for the construction, maintenance and operation of the proposed East Anglia One North Offshore Wind Farm (the "DCO Application").

The Applicant seeks authorisation for the construction, operation and maintenance of DCO Application, comprising of up to 67 wind turbine generators together with associated onshore and offshore infrastructure and all associated development ("the "Project").

The MMO received a Rule 6 letter on 16 July 2020, which superseded the Rule 6 letter of 21 February 2020, following the postponement of the Examination Timetable on 17 March 2020.

Please find the MMO comments below;

1. **Preliminary Meeting Attendance**

Yours faithfully

1 Preliminary Meeting Attendance

1.1 The MMO will be attending the Preliminary Meetings on 16/17 September (Part 1) and Tuesday 6 October (Part 2). We do not intend to speak at these meetings.

2 Comments on Examination Timetable

- 2.1** The MMO will be attending the following hearings:
- Issue Specific Hearing (ISH) w/c 30 November 2020.
 - ISH w/c 11 January 2021.
 - ISH w/c 18 January 2021.
 - Exceptional ISH (if required) w/c 8 March 2021.

We may wish to speak at the above hearings. The MMO notes that no specific dates have been provided in the Rule 6 Letter. We therefore request that dates are provided as soon as they are known.

Should the MMO decide to attend any other hearings, we will inform the Planning Inspectorate team as soon as possible.

2.2 Deadline 4 date

The MMO requests that Deadline 4 (Thursday 7 January 2021) is moved back 2 weeks. This is so that we have sufficient time to review and draft our response to the Applicant's revised draft DCO, which is due to be submitted to PINs by Tuesday 15 December 2020.
