Mr Rynd Smith

At the Preliminary Meeting on Wednesday 16th September legal counsel for Scottish Power Renewables (SPR), Robert Innes, mentioned that SPR had bookings at Snape Maltings and that they could hold meetings there either in person or entailing a hybrid mix of in person and virtual.

For a variety of different reasons there are many people in the area who are uncomfortable with the prospect of virtual hearings and I add my voice to those requesting that in person hearings be held at Snape Maltings, starting with the OPEN FLOOR HEARINGS on 7, 8 and 9 October 2020.

Sincerely
Peter Watson
