Dear Mr Smith,

Ref Nos: EN010077 and EN010078

I understand that due to the fact that Snape Maltings has been booked for the Planning meetings re the above matter it is possible for the open hearings to be held at the Snape Maltings. Having recently very successfully attended well run and COVID safe concerts at the Maltings and in view of the fact that the virtual meeting disenfranchises so many people due to poor internet coverage etc I think that holding the meeting in Snape Maltings is a much more open and fairer way to proceed.

With best wishes

Sheridan Steen
