Dear [REDACTED]

Many thanks for inviting me to participate in the Skype dial-in tomorrow. After I accepted your invitation to consider a Statement of Common Ground, we have had to reconfigure and prioritise our work and we now have decided that we will not be participating in this public inquiry.

Kind regards

Meeting to progress the East Anglia TWO and East Anglia ONE North Projects Statement of Common Ground (SoCG). Can you please forward the meeting invite to any of your colleagues who you wish to attend, and update/return the "Stakeholder Attendees and Role" column accordingly for our records.

I also attach an initial draft SoCG for discussion at our meeting. We propose to review the structure of the SoCG, discuss SWT's relevant representation, and then review Table 3 of the SoCG.

We'll update the SoCG after our meeting and re-issue it back to SWT for further review - we appreciate it may take a few iterations to get the SoCG into a position that both parties are happy with.
