Glossary of Terminology

Applicants	East Anglia TWO Limited / East Anglia ONE North Limited
East Anglia ONE North project	The proposed project consisting of up to 67 wind turbines, up to four offshore electrical platforms, up to one construction, operation and maintenance platform, inter-array cables, platform link cables, up to one operational meteorological mast, up to two offshore export cables, fibre optic cables, landfall infrastructure, onshore cables and ducts, onshore substation, and National Grid infrastructure.
East Anglia TWO project	The proposed project consisting of up to 75 wind turbines, up to four offshore electrical platforms, up to one construction, operation and maintenance platform, inter-array cables, platform link cables, up to one operational meteorological mast, up to two offshore export cables, fibre optic cables, landfall infrastructure, onshore cables and ducts, onshore substation, and National Grid infrastructure.

1 Introduction

1. This document provides a tracking list of Statements of Common Ground (SoCG), commercial side agreements and any planning obligations under the Town and Country Planning Act 1990 or other legislative provisions relevant to planning associated with the East Anglia TWO and East Anglia ONE North Offshore windfarms (the “Projects”) in accordance with the Examining Authority’s (ExA) procedural decision 12 on 16th July 2020.
2. This document is applicable to both the East Anglia ONE North and East Anglia TWO applications, and therefore is endorsed with the yellow and blue icon used to identify materially identical documentation in accordance with the ExA procedural decisions on document management of 23rd December 2019. Whilst for completeness of the record this document has been submitted to both Examinations, if it is read for one project submission there is no need to read it again for the other project.

2 Procedural Decision 12A: Statements of Common Ground

2.1 Introduction

3. The tracking list set out on the following pages provides a list of SoCGs between East Anglia TWO Limited and East Anglia ONE North Limited ('the Applicants') and Interested Parties / Other Persons, identifying the subject matter(s) for which a SoCG has been prepared.
4. **Table 1** presents the current status on each of the topics discussed between the Applicant and the stakeholder using the following colour code:

	Matter agreed during Examination
	Matter to be discussed further during Examination
	Matter not agreed during Examination
	Topic not relevant to the stakeholder or deferred.

2.2 Statements of Common Ground Tracking List

3 Procedural Decision 12B: Commercial Side Agreements

3.1 Introduction

5. The tracking list set out below provides a list of commercial side agreements under preparation between the Applicants and Interested Parties / Other Persons, identifying the subject matter(s) for which a commercial side agreement is being prepared and its status.

3.2 Commercial side agreement with NATS

6. The Applicant and NATS (En Route) plc are preparing a commercial side agreement to secure mitigation against impacts on civil aviation and radar through implementation of 'radar blanking and a Transponder Mandatory Zone'.
7. The status of the commercial side agreement is '*in preparation*' as shown in **Table 2** below. The Applicant will update the Examining Authority on the progress of this commercial side agreement through updates to this tracking list issued into the Examination at each deadline.

Table 2 Commercial Side Agreements Tracking List

Parties	Subject Matter	Status
East Anglia TWO Limited and NATS (En Route) plc	Mitigation against impacts on civil aviation and radar through implementation of 'radar blanking and a Transponder Mandatory Zone'.	In preparation
East Anglia ONE North Limited and NATS (En Route) plc	Mitigation against impacts on civil aviation and radar through implementation of 'radar blanking and a Transponder Mandatory Zone'.	In preparation
