For the attention of Mr Rynd Smith

Dear Mr Smith,

**SPR EA1N & EA2 EIP, DEADLINE 1
PLANNING INSPECTORATE REFERENCE EA1N EN010077 & EA2 EN010078**

Please find below my response on behalf of Suffolk County Council.

Please find attached to this letter the following submissions.

1. Local Impact Report (LIR) - this is joint document with East Suffolk Council and sets out the impacts of the proposed projects in terms of local policies. Which authority is leading on which topic is identified in the document.
2. Answers to ExQ1 – this joint document with ESC provides answers to the questions raised by the ExA.
3. A copy of Councillor Richard Rout's speech at the Open Floor Hearing (OFH) in the light of automated transcript errors.
4. Additional flood information – following Councillor Richard Rout's speech at the OFH, the ExA wanted additional information on the 2019 flood events. This large document can be accessed following this link: <https://we.tl/t-V5Nvh1oykc> This link will expire and can be renewed by contacting me.
5. A Written Representation outlining the issues that SCC has with the draft Development Consent Order (DCO) and associated documents, which is intended to alert the ExA to the relevant issues.
6. A list of suggested site visit locations and separate PDF.

In addition, SPR will be submitting tripartite draft Statements of Common Ground between SPR/ESC/SCC.

If I can be of any further assistance with the above, please do not hesitate to contact me.

Yours sincerely,

Graham Gunby
Development Manager
Growth, Highways & Infrastructure
