## Glossary of Acronyms

IP	Interested Party
SoCG	Statement of Common Ground

## Glossary of Terminology

Applicants	East Anglia TWO Limited / East Anglia ONE North Limited
East Anglia ONE North project	The proposed project consisting of up to 67 wind turbines, up to four offshore electrical platforms, up to one construction, operation and maintenance platform, inter-array cables, platform link cables, up to one operational meteorological mast, up to two offshore export cables, fibre optic cables, landfall infrastructure, onshore cables and ducts, onshore substation, and National Grid infrastructure.
East Anglia TWO project	The proposed project consisting of up to 75 wind turbines, up to four offshore electrical platforms, up to one construction, operation and maintenance platform, inter-array cables, platform link cables, up to one operational meteorological mast, up to two offshore export cables, fibre optic cables, landfall infrastructure, onshore cables and ducts, onshore substation, and National Grid infrastructure.

# 1 Introduction

1. Written Representations have been received from Interested Parties (IPs) for the East Anglia ONE North and East Anglia TWO offshore windfarms ('the Projects'). East Anglia ONE North Limited and East Anglia TWO Limited ('The Applicants') have classified each IP as either a stakeholder the Applicants have engaged with as part of the Statement of Common Ground (SoCG) process, members of the public / businesses, or an IP which has been identified as persons with an interest in land.
2. The Applicants' comments on these Written Representations have been separated into Volumes:
  - **Volume 1 Introduction** (this document)
  - **Volume 2 Technical Stakeholders** (document reference ExA.WR\_2.D2.V1)
  - **Volume 3 Individual Stakeholders** (document reference ExA.WR\_3.D2.V1)
  - **Volume 4 Land Interests** (document reference ExA.WR\_4.D2.V1)
3. It should be noted that some IPs only submitted Written Representations for one project, however, to ensure all Written Representations were considered by the Applicants these representations have been considered with regard to both Projects.
4. This document is applicable to both the East Anglia ONE North and East Anglia TWO applications, and therefore is endorsed with the yellow and blue icon used to identify materially identical documentation in accordance with the Examining Authority's procedural decisions on document management of 23<sup>rd</sup> December 2019. Whilst for completeness of the record this document has been submitted to both Examinations, if it is read for one project submission there is no need to read it again for the other project.
