### DEADLINE 2 - COMMENTS ON STATEMENTS OF COMMON GROUND WITH THE ENVIRONMENT AGENCY AND THE EAST SUFFOLK INTERNAL DRAINAGE BOARD

Interested Party: SASES    PINS Refs: 20024106 & 20024110    Issue: 1

The following are SASES's comments on the Statement of Common Ground with the Environment Agency and the East Suffolk Internal Drainage board. The absence of any comment on any individual statement should not be taken as an indication that SASES either agrees or disagrees with such statement.

#### Statement of Common Ground with the Environment Agency

Reference	Statement	SASES Comment
EA-001		The qualification "insofar as it relates to the EA's statutory remit" should be noted i.e. it excludes surface water and pluvial flood risk. The EA's agreements only relate to main rivers and their associated flood zones 2 and 3.
EA-213		It should be noted that there is no mention of pluvial risk but this is because it is not within the EA's mandate.

#### Statement of common ground with the East Suffolk Internal Drainage Board

It should be noted that the area covered by the East Suffolk internal Drainage Board does not include Friston or the Friston watercourse.
