[Area Graph A4 Nov 2020.pdf](#)

Dear Case Managers

Attached are 2 graphs in A3 and A4 format presenting the cumulative impact of the major energy projects destined for the Sizewell / Leiston area of Suffolk.

If at all possible I would like to call upon these to be presented during my submission this morning session 2/12/20. They are both the same; please use which ever offers the best presentation.

I ask that you circulate to the Examining Panel if appropriate at this stage. I will submit these formally by Deadline 3 as part of our written representation.

I believe the graph shows in greater clarity the extent of the proposed works far better than words alone.

I trust this is in order.

Best regards

Paul Chandler
