East Anglia One North, East Anglia Two.

Dear Emre and team,

In my notes for the ASI of 27 January sent to you in a separate email today, I referred to a video of migrating geese flocking on our field, Plot 13, but failed to attach it.

Would it be possible to add this to the notes?

If this is too large to download, please let me know so that I can try another method.

Apologies,

Best wishes,

Tessa.
