Procedural Decision 15 contained within the Rule 6 Letter dated 16 July 2020 requested SoCGs with additional Interested Parties listed therein.

Signed versions of SoCGs in negotiation during the Examination and not previously signed have been submitted at this deadline, save for East Suffolk Council and Suffolk County Council. The Applicant hopes to submit the signed version of the SoCG with East Suffolk Council and Suffolk County Council soon.

Table 1 in Annex A to this letter contains the full list of Interested Parties and Other Parties for which a SoCG has been submitted at this deadline.

Table 2 in Annex A to this letter provides a list of the Interested Parties and Other Parties identified in Procedural Decision 7 and Procedural Decision 15 contained within the Rule 6 Letter for which a draft SoCG has not been provided, together with brief details of the status of the SoCG.

Annex B to this letter contains a list of additional submissions that are being made by the Applicant at this 15 April 2021 deadline. The Applicant considers that these provide information, clarifications and updates useful to both the Examining Authority and Interested Parties.

The Applicant has not provided an updated version of **ExQ1.3.3 Crown Land and Consent** (document reference REP1-123) in accordance with ExQ1.3.3 which states *“If at any given deadline an empty table is provided, a revised table need not be provided at any subsequent deadlines unless the Applicant becomes aware that the data and assumptions on which the empty*

table was provided have changed". An empty table was submitted by the Applicant at Deadline 1 on 2 November 2020 and the Applicant is not aware of any changes which require an updated table to be submitted.

Comments on Rule 8 Letter

The Applicant notes the amended Examination timetable in Annex A of the Rule 8 Letter and would request that the ExA's commentary on and/or schedule of changes to the dDCO and the ExA's Further Written Questions (ExQ3) are published earlier than 20 May 2021 if at all possible. This would provide the Applicant and Interested Parties with additional time to review and provide detailed responses in advance of Deadline 11 on 7 June 2021 noting that one week of hearings are provisionally scheduled during the week commencing 24 May. It would also provide those that are participating in the hearings on Tuesday 25 to Thursday 27 May time to consider the ExA's comments on the DCO in advance of the DCO hearing on Friday 28 May 2021 where such parties are also required to prepare for and participate in the other hearings that week.

Notice of intention to request a change to the Order Limits

The Applicant wishes to provide advance notice that following further engagement with Interested Parties (including the Wardens Trust and Natural England), the Applicant intends to submit a request to amend the Order limits for Work No. 9 at Plot 13 to increase the distance between the onshore cable corridor and receptors to the east.

The Applicant is currently preparing the material to support this change request and is consulting with relevant Interested Parties and Affected Persons (noting that the change does not give rise to any new Interested Parties or Affected Persons). The Applicants propose to submit the request to the ExA on 22 April 2021. This will set out full details of the proposed change, and will be accompanied by supporting documentation.

All of the documents enclosed with this submission are designed to be viewed electronically.

We would be grateful if you could kindly acknowledge safe receipt of this letter and the enclosures.

Yours faithfully

**Richard Morris, Senior Project Manager
