Subject: No to the extension of 3 months
Date: 15 April 2021 23:21:20

Dear Sir,

We object to the planned extension of 3 months by SPR who have been so slow in coming forward with answers to endless objections which we have put in earlier submissions this week.

They have had ample time to answer objections to their damaging plans which they have failed to do at the open hearings which have lasted 6 months.

Ian Cook
Rosamond Castle
