Issue Specific Hearing 17: the draft Development Consent Orders (dDCO) & Other Matters

Thank you for inviting us to attend Issue Specific Hearing 17 in relation to these proposals, due to take place on Friday 28 May 2021.

We have reviewed the Agenda, and it is our view that we have no further significant points that we would wish to raise at this time in relation to the dDCO and the ISH17 Agenda items outlined for discussion.

In light of this, and significant workload and staffing pressures, we regretfully send our apologies as we will be unable to resource attendance at this session.

We are, of course, happy to review any relevant questions arising from the session and provide written responses in a timely manner.

Yours faithfully
