SEAS Community Videos

Deadline 13 – 5 July 2021

**The final Deadline before the nine month examination

Dear Planning Inspectors,

For Deadline 13, we have sent to your head office in Bristol four USB sticks with a selection of new videos of the Community expressing their views on ScottishPower Renewables plans for The Heritage Coast. These views represent the majority of the Communities' feelings and SEAS hopes that you will view them, share them and take them into account when making your deliberations over the next 3 months and recommend to the Secretary of State a 'Split Decision'.

The videos can be viewed on line [here](#):

With kind regards

THE SEAS TEAM
