2. Overlap of Deadline 12 Submissions

Natural England wish to highlight to the Examining Authority that several of the Applicant's submissions at Deadline 12 will not have taken into account our position/ advice at Deadline 12. In particular, this applies to REP12-089: Appendix A15d - NE Comments on HRA Derogation [REP11-069] and Offshore Ornithology Compensation Measures [REP11-070] and REP12-090: Appendix A16c - NE Comments on Cumulative and In-Combination Collision Risk [REP11-027].

3. Natural England's Final Position for Offshore Ornithology Cumulative / In Combination Impacts with other Plans and Projects and Designated Site Features

Natural England would like to reiterate our final position for cumulative and in-combination impacts with other plans and projects and designated site features as presented for red throated diver in Appendix A14c [REP9-067] and for the other species in Appendix A16c [REP12-090]. Please see Appendix A24 for Natural England's summary position and final advice to the Applicant's D12 submissions in relation to offshore ornithology.

4. Non-Material Change (Ornithology Headroom)

Please refer to Appendix A24 for Natural England's response to the Applicant's R17QF.2 response to Natural England in REP12-056.

5. Hundred River Crossing and Hairy Dragonfly

Please refer to Appendix C12 at Deadline 13 for Natural England's summary position and advice for the outstanding issues in relation to the Hundred River crossing and hairy dragonfly.

6. Draft Letters of No Impediment (LONI)

Further to the Applicant's draft LONI application for badger and comments at Deadline 12 [REP12-030], please see Natural England's summary position in relation to the draft LONI application for badger and greater crested newt in Appendix C12.

7. Risks and Issues Log

Appendix I1j provides a summary of the Risks and Issues Natural England consider to be outstanding at Deadline 13, the close of examination. Please note that the log has been updated to include those outlined in Appendix A24 in relation to the offshore ornithology compensation measures and for terrestrial ecology in Appendix C12 for the Hundred River Crossing and hairy dragonfly.
