Statements of Common Ground

Procedural Decision 7 contained within the Rule 6 Letter dated 21 February 2020 requested SoCGs with the Interested Parties and Other Parties listed in Annex G. Procedural Decision 7.1 contained within Annex A of the Rule 9 Letter confirmed that the Examining Authority wishes to have early sight of first draft SoCGs with the parties previously identified in Procedural Decision 7. As such, the Applicant has submitted first draft SoCGs for those parties where the SoCGs are sufficiently progressed to date. Table 1 in the Annex to this letter contains the full list of Interested Parties and Other Parties for which a draft SoCG has been submitted.

Table 2 in the Annex to this letter provides a list of the Interested Parties and Other Parties identified in Procedural Decision 7 for which a draft SoCG has not been provided, together with brief details of the status of the SoCG. For a number of parties, very good progress has been made on the first draft to date and the Applicant hopes to be in a position to submit the remaining draft SoCGs at an early stage in the Examination.

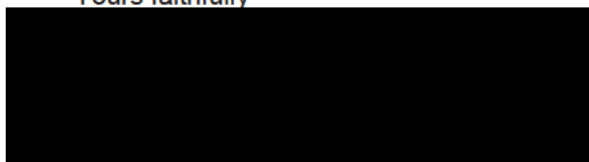

The Applicant's Comments on Relevant Representations

The approach taken by the Applicant in commenting on Relevant Representations is explained in Volume 1 of The Applicant's Comments on Relevant Representations, with detailed comments on Relevant Representations provided within Volumes 2, 3 and 4.

All of the documents enclosed with this submission are designed to be viewed electronically.
