Appendix F4 Natural England's Comments on Appendix 6 East Anglia TWO Disposal Site Locations (Windfarm Site) [AS-043]

This document is applicable to both the East Anglia ONE North (EA1N) and East Anglia TWO (EA2) applications, and therefore is endorsed with the yellow and blue icon used to identify materially identical documentation in accordance with the Examining Authority's (ExA) procedural decisions on document management of 23rd December 2019. Whilst for completeness of the record this document has been submitted to both Examinations, if it is read for one project submission there is no need to read it again for the other project.

1. Summary

We note that Figure 1 shows the disposal locations for both locations, but with no reference to the habitats in those locations and/or the project infrastructure. Until these are provided NE is unable to comment further on any potential nature conservation concerns.
