Dear Sir / Madam

I am writing on behalf of the East Suffolk Internal Drainage Board to inform the Examining Authority that the Board's previous concerns, expressed in the SoCG [AS-049] regarding the impact assessment methodologies used for ES Chapter 20 have been addressed.

In consultation with the applicant and their agent an updated SoCG has been drafted and confirmed which now has no outstanding issues or disagreements. We believe this will be issued to yourselves by the applicant before Deadline 1.

Please do not hesitate to contact us should you require any further information.
Kind Regards,

Yvonne
