Subject: Assumed Ownership Question Mr + Mrs S Fulford

To whom it may concern on the Planning Inspectorate team, It has been brought to our attention that we have not received a letter of assumed ownership with regard to boundary marker 109 of the proposed site (area shown in pink on the west side of the boundary). The owner of the other part of the field has received a letter of assumed ownership for the continuation of the exact same strip of land adjacent to boundary marker 114.

My wife and I have not been consulted nor have we consented to the use of any of our land and, for the record we would object to a CPO.
Currently we are both separately registered as an 'interested party', not as an 'affected' person - does this matter?

We attach the relevant plan as reference.

We have applied for a site visit at Friston House but have yet to receive acknowledgement or indication of whether this may happen, is that correct?
