Subject: Deadline 2 Friston Substation
Date: 16 November 2020 10:29:12

Dear Sir/Madam,

Friston Substation - Deadline 2.

Nothing I have heard, seen or read explains why this substation cannot be placed;

1, as an offshore ring main out to sea,

or

2, on the field, largely unused, beside the Leiston Sizewell road on the right hand side just past the railway crossing.

Please could you address these questions and let me know.

Yours faithfully,

J M Franklin.
