

**NOTIFICATION OF OPEN FLOOR HEARINGS, ISSUE SPECIFIC HEARINGS, COMPULSORY ACQUISITION HEARING AND ACCOMPANIED SITE INSPECTIONS**  
**THE EAST ANGLIA TWO OFFSHORE WINDFARM DEVELOPMENT CONSENT ORDER (APPLICATION REFERENCE EN010078)**  
**SECTIONS 91, 92, 93 AND 94 PLANNING ACT 2008**  
**RULES 13(6) AND 16 INFRASTRUCTURE PLANNING (EXAMINATION PROCEDURE) RULES 2010**

Notice is hereby given that, at the dates, times and locations set out below, the following Hearings will be held by the Planning Inspectorate (on behalf of the Secretary of State for Business, Energy and Industrial Strategy) for the examination of the application made by East Anglia TWO Limited (the **Applicant**) of 3rd Floor, 1 Tudor Street, London EC4Y 0AH for a Development Consent Order under sections 14, 15, 16 and 37 of the Planning Act 2008 (the **Application**). The Application was made on 25 October 2019 and accepted for examination on 22 November 2019. In light of the current public health situation surrounding COVID-19, the below Open Floor Hearings, Issue Specific Hearings and Compulsory Acquisition Hearing will be virtual and held as indicated below.

Hearing	Date	Time	Venue
Issue Specific Hearing 3 (ISH3) – Biodiversity and HRA	Tuesday 19 January 2021	10.00am (arrangements conference from 9.20am)	Virtual event*
Issue Specific Hearing 4 (ISH4) – Onshore environment, construction, transport and operational effects	Tuesday 19 January 2021	2.00pm (arrangements conference from 1.20pm)	Virtual event*
Issue Specific Hearing 4 (ISH4) continued – Onshore environment, construction, transport and operational effects	Wednesday 20 January 2021	10.00am (arrangements conference from 9.20am)	Virtual event*
Issue Specific Hearing 5 (ISH5) – Social, economic, land and sea use effects	Thursday 21 January 2021	10.00am (arrangements conference from 9.20am)	Virtual event*
Open Floor Hearing 6 (OFH6)	Friday 22 January 2021	10.00am (arrangements conference from 9.20am)	Virtual event*
Open Floor Hearing 7 (OFH7)	Thursday 28 January 2021	2.00pm (arrangements conference from 1.20pm)	Virtual event*
Issue Specific Hearing 6 (ISH6) – Draft Development Consent Order	Friday 29 January 2021	10.00am (arrangements conference from 9.20am)	Virtual event*

\*The Planning Inspectorate will provide joining details in due course. Interested parties should check the National Infrastructure Planning website and register accordingly prior to the above mentioned hearings. Please refer to the following link for updates and instruction on this process: <https://infrastructure.planninginspectorate.gov.uk/projects/eastern/east-anglia-two-offshore-windfarm/>.

**RESERVED HEARING DATES**

The Planning Inspectorate intends to cover all necessary matters in the hearings as set out above. However, notification is also made of further Open Floor Hearings and Issue Specific Hearings if the above hearings are disrupted by technical issues.

Hearing	Date	Time	Venue
Open Floor Hearing 6A (OFH6A) (if required)	Friday 22 January 2021 (if required)	3.00pm (arrangements conference from 2.20pm)	Virtual event*
Issue Specific Hearing 3A, 4A, 5A and 6A (ISH3A, ISH4A, ISH5A and ISH6A) (if required to cover any specific issue adjourned from ISH3 and/or ISH4 and/or ISH5 and/or ISH6)	Monday 1 and/or Tuesday 2 February 2021 (if required)	10.00am (arrangements conference from 9.20am) and/or 2.00pm (arrangements conference from 1.20pm)	Virtual event*
Open Floor Hearing 7A (OFH7A) (if required)	Monday 1 and/or Tuesday 2 February 2021 (if required)	10.00am (arrangements conference from 9.20am)	Virtual event*

\*The Planning Inspectorate will provide joining details in due course. Interested parties should check the National Infrastructure Planning website and register accordingly prior to the above mentioned hearings. Please refer to the following link for updates and instruction on this process: <https://infrastructure.planninginspectorate.gov.uk/projects/eastern/east-anglia-two-offshore-windfarm/>.

Notice of any further hearings will be publicised as appropriate.

**NOTICE OF ACCOMPANIED SITE INSPECTIONS**

Please be advised that the Examining Authority will hold Accompanied Site Inspections (ASIs) under Rule 16 of the Infrastructure Planning (Examination Procedure) Rules 2010 on the following dates:

Event	Date	Time	Meeting Place
Accompanied Site Inspection 1 (ASI1) – Friston, Aldringham and Coldfair Green	Tuesday 26 January 2021	9.10am (arrival at first meeting place at 9.00am)	In Friston, Aldringham and Coldfair Green. Details to be distributed to registered Attendees*
Accompanied Site Inspection 2 (ASI2) – Leiston, Sizewell, Thorpeness and Thebarton	Wednesday 27 January 2021	9.10am (arrival at first meeting place at 9.00am)	In Leiston, Sizewell, Thorpeness and Thebarton. Details to be distributed to registered Attendees*

\*ASIs are held in public but to ensure compliance with public health regulations, attendees were requested to register in advance at Deadline 1 (2 November 2020). The final ASI itinerary containing the details of meeting places and times will be sent to all registered attendees before the ASIs commence and will be published to the project page at <https://infrastructure.planninginspectorate.gov.uk/projects/eastern/east-anglia-two-offshore-windfarm/>.

**SUMMARY OF THE PROJECT**

The Application is for development consent for the construction and operation of the East Anglia TWO Offshore Windfarm (**East Anglia TWO**). The offshore windfarm would be located in the southern North Sea approximately 32.6 km from the Suffolk coast at its nearest point and would occupy an area of up to 218.4 km<sup>2</sup>. The landfall connection works will be located north of Thorpeness in Suffolk, and the onshore substation and overhead line realignment works will be located in the vicinity of Grove Wood, Friston.

Development consent is required to the extent that the development is or forms part of a Nationally Significant Infrastructure Project (NSIP). The project consists of two linked NSIPs, namely (i) an offshore generating station; and (ii) overhead line realignment works, together with associated development. As the proposed offshore generating station is expected to have a capacity of over 100 MW, it is an NSIP for the purposes of section 14(1)(a) and 15(3) of the 2008 Act. Pursuant to sections 14(1)(b) and 16 of the 2008 Act, the installation of an electric line above ground in England is an NSIP unless it falls within certain exclusions. It is not anticipated that any of the exclusions would apply to the overhead line realignment works, and as such these works form a second NSIP. It is for these reasons that the project falls within the remit of the Secretary of State.

The Development Consent Order would, amongst other things, authorise:

- Up to 75 offshore wind turbines and their foundations;
- Up to one offshore meteorological mast and its foundations;
- Subsea cables connecting the wind turbines and the offshore platforms;
- Up to one offshore construction, operation and maintenance platform and its foundations;
- Up to four offshore electrical platforms and their foundations;
- A network of subsea platform link cables;
- Up to two offshore subsea export cables to transmit electricity from the offshore electrical platforms to landfall located north of Thorpeness in Suffolk;
- Landfall connection works north of Thorpeness in Suffolk;
- Onshore cables commencing at landfall and running to the onshore substation in the vicinity of Grove Wood, Friston;
- A new onshore substation in the vicinity of Grove Wood, Friston;
- Overhead line realignment works in proximity to Grove Wood, Friston including permanent realignment of a short section of the northern and southern overhead line circuits including the reconstruction and/or relocation of up to two pylons and construction of up to one additional pylon in order to realign the northern overhead lines and the reconstruction and/or relocation of up to one pylon in order to realign the southern overhead lines;
- Temporary diversion of the northern and southern overhead line circuits;
- Construction of up to three permanent cable sealing end compounds (one of which may include circuit breakers) and underground connections;
- A new National Grid substation; and
- Associated development comprising such other works as may be necessary or expedient for the purposes of or in connection with the relevant part of East Anglia TWO.

**APPLICATION FORM AND ACCOMPANYING DOCUMENTS**

You are encouraged to view copies of the Application form and accompanying plans, maps and other application documents (the **Application Documents**) free of charge on the following project webpage on the National Infrastructure Planning website:

<https://infrastructure.planninginspectorate.gov.uk/projects/eastern/east-anglia-two-offshore-windfarm/>

The Application Documents will also be available for inspection free of charge as set out below, but in light of the current public health situation surrounding COVID-19, if you are planning to attend to inspect the Application Documents, this will be by appointment only. Opening times and visiting arrangements are subject to change and will be explained when making an appointment.

Inspection Location	Opening Times	Visiting Arrangements (Overview)
Leiston-cum-Sizewell Town Council Council Offices, Main Street, Leiston, Suffolk, IP16 4ER Telephone: 01728830388 Email: <a href="mailto:townclerk@leistontowncouncil.gov.uk">townclerk@leistontowncouncil.gov.uk</a>	By appointment only Monday, Tuesday, Thursday and Friday 9am – 12:30pm	Inspection of the Application Documents will be by appointment only by telephoning or emailing in advance. Arrangements relating to COVID-19 measures will be communicated by the venue in advance of the appointment.

Planning Inspectorate guidance is also available on the government website in relation to site visits, hearings, inquiries and events: <https://www.gov.uk/guidance/coronavirus-covid-19-planning-inspectorate-guidance>

USB device copies of the Application Documents can also be provided free of charge on request by emailing the Applicant at [eastangliatwo@scottishpower.com](mailto:eastangliatwo@scottishpower.com).
