Arrangements Conference: please join at the appointed time for your hearing. The Case Manager will register you and admit you to the hearing. See below for the **List of Speakers**.

1. Welcome, introductions and arrangements for Session 1 and 2

2. Representations by named Interested Parties

Speakers will be heard in the order shown for the hearing under List of Speakers, below

- A maximum speaking time guide of five minutes per Interested Party (IP) will apply to submissions by individual IPs.
- Organisations and groups with shared representation will receive a maximum speaking time guide of ten minutes.

Speakers in Session 1 and 2 should leave after the end of their contribution and follow the remainder of this session if they wish using the live stream.

The ExAs may ask questions of IPs and the Applicants about matters arising from written and oral submissions. If they do so during a timed submission, the time taken by the ExAs will not count against the speaking time guide.

3. Responses by the Applicants

The Applicants will be invited to respond to matters raised and to questions arising from the ExAs. A maximum speaking time guide of five minutes will apply. If you are an attendee from an earlier session you can view this on the livestream or the recording after the event.

Frequently Asked Questions (FAQs)

To help you participate effectively, we have published frequently asked questions (FAQs) on virtual events:

These provide information about Microsoft Teams (the system used by the Planning Inspectorate to conduct hearings over the internet) and the digital devices and phones that can be used to join the hearing. Please read the FAQs before you join your hearing as they will help you to prepare and get the best out of your participation. Particular attention is drawn to the FAQ advice 'How do I protect my privacy in Virtual Events' and to Annex H to the Rule 6 Letters, which varies the Planning Inspectorate's National Infrastructure Privacy Policy for virtual events.

Participation, conduct and management of hearings

Participation by speakers

Open Floor Hearings do not have subject-matter controlled agendas and participants may raise any matters arising from the Applications that are important and relevant to decisions taken under the Planning Act 2008 (PA2008). All speaking slots are time limited and, for reasons of fairness, the time limits shown on the Agenda will be closely applied. The ExAs will remind you to conclude approximately thirty seconds before the end of your allotted speaking time.

OFHs are hearings where individuals and organisations have their say. Cross questioning is not normally allowed and the ExAs will ask any questions that arise. The ExAs will make appropriate provision for the introduction of more detailed evidence from experts at Issue Specific Hearings (ISHs). People who have land or rights affected by Compulsory Acquisition or Temporary Possession are Affected Persons: you have a right to be heard at a Compulsory Acquisition Hearing (CAH) and that will be the best forum to raise those issues.

OFHs aim to identify planning issues that are important and relevant. Once an issue has been identified it does not need to be repeated. It is sufficient to say that you agree with something a previous speaker has raised.

Once you have spoken at one OFH you do not have a right to speak again at another. It is important that you use your allotted time well to communicate your messages to the ExAs.

Any new evidence presented orally at these hearings (including written submissions of oral cases) should be included in post-hearing submissions and submitted at Deadline 5.

¹ The FAQs for the East Anglia ONE North and East Anglia TWO Examinations are the same.

Participation is subject to the ExAs' power to control the hearing.

The Applicants

The ExAs ask that the Applicants attend these hearings. The Applicants may be asked by the ExAs to address questions raised by IPs in summary form at the end of each hearing. The primary purpose of these hearings is not to enable the Applicants to make their own cases and beyond immediately necessary points of clarification, any Applicants responses to IP's oral cases should be made in writing.

Contingencies

The ExAs will endeavour to hear the speakers identified in these Agendas. If the hearings or parts of them are unable to proceed, then the ExAs may adjourn incomplete business to reserved hearings listed as follows:

- OFH6 A (Friday 22 January 2021 – afternoon – from 2pm) 8 October 2020 – morning – from 10am).
- OFH7 A (Monday 1 and Tuesday 2 February 2021 – morning, afternoon or evening).

Notice of any adjournments will be provided in the banners on the National Infrastructure Planning Website for each Application.

If the OFHs 6 & 7 proceed without disruption, then these reserved hearings will not proceed.
