Dear Team,

I hope this finds you well.

I appreciate that this is an exceptionally busy time for you, but as for some reason I don't receive automatic acknowledgement of my email submissions to you, I'm writing this covering letter to itemise the 3 separate Deadline 6 submissions I've sent to you today.

1. Deadline 6 Action Point: Response to Norfolk Vanguard High Court Ruling.
2. Deadline 6 Written Representation: Comments on Deadline 5 submissions, ISH 7 and 8, and Compulsory Acquisition Hearing 2.
3. Deadline 6 submission: Pictorial Evidence of the effects of weather and erosion on the North Sea Coast.

Please let me know if you have not received any of these emails by the Deadline.

Many thanks,

Tessa.
