25 March 2021

**Application by East Anglia One North Limited for the East Anglia ONE North Offshore Wind Farm Development Consent Order. EN010077**

**Application by East Anglia TWO Limited for the East Anglia TWO Offshore Wind Farm Development Consent Order. EN010078**

#### **DEADLINE 8 RESPONSE**

Dear Sirs,

This letter contains the Deadline 8 response in respect of both of the above proposals from EDF Energy Nuclear Generation Limited ("**NGL**"). NGL is the owner and operator of the nearby Sizewell B nuclear power station ("**SZB**").

This deadline 8 submission is further to our relevant representation dated 27 January 2020, our responses to the Examining Authority's written questions dated 2 November 2020, our deadline 2 submission dated 17 November 2020, our deadline 4 submission dated 13 January 2021 and our deadline 5 submission dated 3 February 2021.

NGL confirms that the protective provisions are agreed in the form appended, subject to the conclusion of a side agreement. We understand from the Promoter that the appended protective provisions will be included in its final form DCOs which it is submitting at today's deadline.

A confidential side agreement has been substantially agreed between the parties. Both parties intend that this shall be completed before close of examination. NGL reserves its position until the side agreement has completed.

NGL shall further update the Examining Authority at Deadline 9.

Yours faithfully,

  
Robert Gunn  
Station Director
