Mr M Cotter

Dear Sir/Madam

I note that on document 2.5 “TEMPORARY STOPPING UP OF PUBLIC RIGHTS OF WAY PLAN” Sheet 8 of 12 footpath ref “Temp 30 E-354/008/0” between points S6 & S7 that you are planning on pushing the footpath on to the field off of the track and to run along the track. Can you please inform me of the reason for this? This track is the entrance to my home and is not an access point so I can’t understand the reasoning for this.

Regards Martin Cotter

Copied to the inspectorate for information.
