A number of the plans and outline documents have been resubmitted at this deadline however the updates in the majority of these documents are minimal and have been made to address comments raised by Interested Parties in Deadline 11 submissions and to ensure that the plans and figures reflect the final Order limits.

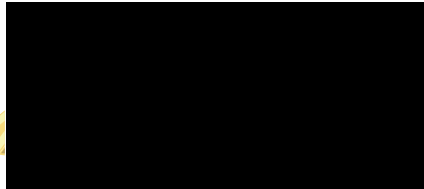

The Applicant has not provided an updated version of **ExQ1.3.3 Crown Land and Consent** (document reference REP1-123) in accordance with ExQ1.3.3 which states "*If at any given deadline an empty table is provided, a revised table need not be provided at any subsequent deadlines unless the Applicant becomes aware that the data and assumptions on which the empty table was provided have changed*". An empty table was submitted by the Applicant at Deadline 1 on 2 November 2020 and the Applicant is not aware of any changes which require an updated table to be submitted.

All of the documents enclosed with this submission are designed to be viewed electronically.

We would be grateful if you could kindly acknowledge safe receipt of this letter and the enclosures.
