Dear Sirs,

A final request for common sense and the onshore infrastructure to be rejected.  
It is clear that many people involved have been beguiled by Scottish Powers lobbying.  
I call upon the examining authorities to recommend to the Secretary of State a split  
decision. Failure to do this will cause so many living in Suffolk, misery and possible  
impoverishment. This they will not forget or the politicians that allowed this.  
Regards,

Graham Bagnall  
Aldeburgh Resident
