Dear Sir,

East Anglia TWO Limited
The Proposed East Anglia TWO Offshore Windfarm Order (the “Application”)
Application Ref. EN010078

We refer to the letter sent by NATS (En Route) plc (“NERL”) on 6th July 2021 confirming the withdrawal of its previous representations to the above Application subject to the imposition of the Requirement set out in that letter.

This letter is to confirm that East Anglia TWO Limited accepts the need for and has agreed with NERL that the Requirement set out in NERL's letter (and included within the **draft DCO** [REP12-013]) should be included within the Development Consent Order as granted.

Yours faithfully

For and on behalf of East Anglia TWO Limited
