Dear Sirs

RE: Re Planning Act 2008 (as amended) – Section 89 and the Infrastructure Planning (Examination Procedure) Rules 2010 – Rule 17 Application by East Anglia Two North Limited for an Order Granting Development Consent for the East Anglia Two North Offshore Wind Farm (“Order”) (“DCO”)

I act for Eastern Power Networks plc (UKPN).

I write with reference to the letter sent by UKPN to the National Infrastructure Planning dated 4 January 2020 submitted on 13 January 2021 in which objection was made to the acquisition of Eastern Power Networks' property rights under the proposed Order.

UKPN write to confirm that as agreed protective provisions have now been included in the draft DCO, they have no remaining objection to the EA2 Development Consent Order; this includes for the avoidance of doubt UKPN having no remaining objection to the said order for the purposes of section 127 of the Planning Act 2008.

Yours faithfully

UK Power Networks
