Dear Mr Mackay,

PLANNING ACT 2008

THE EAST ANGLIA ONE NORTH OFFSHORE WIND FARM ORDER 2022

AND

THE EAST ANGLIA TWO OFFSHORE WIND FARM ORDER 2022

APPROVAL OF PLANS OF WORK

The East Anglia ONE North and East Anglia TWO Offshore Wind Farm Orders (“the Orders”) contain requirements and conditions that the undertaker must comply with before the authorised development as defined in the Orders can commence.

East Anglia ONE North

Kittiwake Plan of Work under paragraph 2, Schedule 18, Part 1

Paragraph 2, Schedule 18, Part 1 to the Order states that:

- “The authorised development may not be commenced until a plan for the work of the kittiwake compensation steering group (“KCSG”) has been submitted to and approved by the Secretary of State. Such plan to include -
- (a) terms of Reference of the KCSG;
 - (b) details of the membership of the KCSG;
 - (c) details of the schedule of meetings, timetable for preparation of the kittiwake implementation and monitoring plan (the “KIMP”) and reporting and review periods; and
 - (d) the dispute resolution mechanism.”

East Anglia TWO

Kittiwake Plan of Work under paragraph 2, Schedule 18, Part 1

Paragraph 2, Schedule 18, Part 1 of the Order states that:

- “The authorised development may not be commenced until a plan for the work of the kittiwake compensation steering group (“KCSG”) has been submitted to and approved by the Secretary of State. Such plan to include -
- (a) terms of Reference of the KCSG;
 - (b) details of the membership of the KCSG;

- (c) details of the schedule of meetings, timetable for preparation of the kittiwake implementation and monitoring plan (the “KIMP”) and reporting and review periods; and
- (d) the dispute resolution mechanism.”

The Approval Request

The Applicant has, in accordance with the requirements set out above, provided a Plan of Work that set out the terms of reference, the membership, the schedule of meetings, timetables, reporting and review periods, and the dispute resolution mechanism for the Kittiwake Steering Group. It is proposed that the Steering Group will look at the relevant compensation measures proposed under both of the Orders.

East Anglia ONE North Limited and East Anglia TWO Limited made a joint request to the Secretary of State for Business, Energy & Industrial Strategy (“the Secretary of State”) on 12 December 2022 for approval (“the Approval Request”) of the Kittiwake Steering Group Plan of Work for the compensation measures required by the Orders (as set out above).

Consideration of the Approval Request by the Secretary of State

The Secretary of State has considered the details provided by the Applicant in respect of the requirements related to the submission of the Plan of Work. The Secretary of State is satisfied that the Approval Request and the enclosed Plan of Work provide the information required by Schedule 18 of the East Anglia ONE North Development Consent Order, and by Schedule 18 of the East Anglia TWO Development Consent Order.

The Secretary of State therefore approves the Plans of Work submitted with the Approval Request.

Yours sincerely,

James Dawkins
Head of Planning, Energy Infrastructure Planning Delivery
