Dear Mr Lean

**Planning Act 2008 (as amended) and The Infrastructure Planning
(Environmental Impact Assessment) Regulations 2009 (as amended) –
Regulation 24**

**Norfolk Vanguard Offshore Wind Farm (the proposed development)
Vattenfall Wind Power Ltd (the Applicant)**

Confirmation to applicant as to which EEA States have responded

Further to our letter dated 16 February 2017 informing you of the list of the EEA States notified under Regulation 24 of the EIA Regulations, the following EEA States responded to advise that they wish to participate in the procedure for examining the application for the proposed development, should it proceed to the application stage and be accepted for examination:

- Belgium
- Denmark
- France
- Germany
- Netherlands

The following EEA State responded to advise that it does not wish to participate in the procedure for examining the application for the proposed development, should it proceed to the application stage and be accepted for examination:

- Norway

In accordance with our notification letter to the EEA States, the Secretary of State has assumed that the States who did not respond to the notification letter do not wish to participate in the procedure under Regulation 24 of the EIA Regulations in relation to the proposed development. This state is:

- Ireland

Therefore, the Secretary of State will not undertake Stage 2 consultation with this State unless the Secretary of State is subsequently informed of their wish to take part in the Regulation 24 process.

Further information on the transboundary consultation process carried out under Regulation 24 of the EIA Regulations can be found in the Planning Inspectorate's Advice Note 12, available on our website:

<http://infrastructure.planninginspectorate.gov.uk/legislation-and-advice/advice-notes/>

If you have any queries about this process, please do not hesitate to contact me.

Yours sincerely

Hannah Pratt
