The USB provided to you contained the updated set of onshore cable corridor plans; we are keen to receive any comments you may have on the routing of the 100m indicative corridor and side accesses, as shown on the plans.

Comments can be made in writing in a number of different ways:

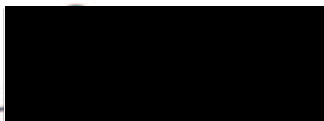

1. Addressed to: Norfolk Vanguard, The Union Building, 51-59 Rose Lane, Norwich, NR1 1BY
2. By email to: [info@norfolkvanguard.co.uk](mailto:info@norfolkvanguard.co.uk)

Following the close of the formal consultation, we will finalise the onshore land elements of the project and any comments you may have will assist in this process and be taken into account as part of the development consent order application. Therefore, please ensure any comments are submitted by 11:59pm on Monday 11<sup>th</sup> December 2017. If you have already responded formally to the consultation, or do not wish to make any comments, please ignore this letter.

More information about the project can be found on the project website: [www.vattenfall.co.uk/norfolkvanguard](http://www.vattenfall.co.uk/norfolkvanguard) along with High resolution plans. Any other queries about the project can be made by telephone on 01603 567995.
