NORFOLK VANGUARD OFFSHORE WIND FARM

8th March 2018

NORFOLK VANGUARD OFFSHORE WIND FARM – Red line Boundary consultation (refinement of proposed development area)

We previously contacted you at the end of October 2017 through our formal consultation process, inviting you to submit feedback on the proposed cabling route for the Norfolk Vanguard Offshore Wind Farm project.

Further to a review of all the comments received from the formal consultation process and a refinement of our proposed development area, we have made a change to the red line boundary (to include land that was not previously within the red line) on land in which you hold an interest. Please see the enclosed plan(s) showing the amendment (shaded in dark blue) and the land, including the additional land that is now potentially affected by the project.

We would like to give you the opportunity to comment on these minor changes and request that you return any responses in relation to this amendment by the 7th of April 2018. Comments can be made in writing:

1. Addressed to: Norfolk Vanguard, The Union Building, 51-59 Rose Lane, Norwich, NR1 1BY
1. By email to: info@norfolkvanguard.co.uk

If you have queries about the contents of this letter, please call 01603 567995.

If you have any other questions in connection with the Project, please do not hesitate to contact us at the above postal or email addresses.

If you would like to have a further meeting on site with a member of the Consents Solutions team, please contact Bob McCarthy on 01223 859221 or alternatively email on vattenfallinnorfolk@consentssolutions.com and he would be happy to arrange a time that is convenient for you.

We look forward to hearing from you.

Yours faithfully,

Ruari Lean
Project Manager
