Subject: Norfolk Vanguard Examination - Response to Landscape and Ecology Questions

FAO Examining Authority (ExA)
Norfolk Vanguard Project Team

Further to the ExA's Rule 8 letter dated 19 December 2018 and the link to the ExA's Questions, I can confirm that Norfolk County Council will not be responding to the following questions on landscape and visual impact: 14.4; 14.21; 14.23; and 14.24.

This is because the County Council does not have a formal statutory planning role in respect of the above matters and has not objected to the Norfolk Vanguard project on any landscape and/or ecological issue/s.

It is felt that any issues/concerns relating to landscape and ecological matters should be directed to the relevant local planning authority who have the statutory responsibility to prepare Local Plans covering such matters.

If you have any queries with the above comments please call or email me.

Kind regards
